and Membership*

The Middle Atlantic Society of Oral and Maxillofacial Surgeons is pleased to invite you to attend the 2024 Spring Meeting.

We are excited to welcome Dr. Robert Bosack who will provide an interactive lecture and discussion on "Advancing Your Anesthesia Skills."

In addition to the educational program, this meeting will showcase a variety of tabletop exhibits. Vendors will be ready to discuss and demonstrate the latest in equipment, materials and services available to the oral and maxillofacial surgeon.

We can't wait to see you at the beautiful Turf Valley Resort!

Sincerely yours,

Andrew

Andrew P. Heise, DMD, MD  
MASOMS President

# ***SPEAKER AND COURSE INFORMATION***

---

## ***Robert C. Bosack, DDS***

Dr. Robert Bosack graduated from the University of Notre Dame in 1974 and received his DDS from Loyola University School of Dentistry, magna cum laude. He received his advanced training at the Cook County Hospital, where he gained vast surgical experience. He has been practicing the full scope of oral and maxillofacial surgery since 1982, with current emphasis on anesthesia and dental implant technology. Dr. Bosack is a diplomate of the American Board of Oral and Maxillofacial Surgery, and has served as board examiner in the past.

With over 40 years of experience in this community, the number of satisfied patients is ever-expanding. He is currently on staff at Advocate Christ Medical Center and University of Chicago Surgicenter in Tinley Park. He is a member in good standing in all pertinent organizations at the city, state and national levels.

In addition to his full-time private practice, Dr. Bosack is a Clinical Assistant Professor at the University of Illinois College of Dentistry. He lectures to his peers at local, state and national levels on topics related to surgery, anesthesia and medicine. He is a licensed provider of continuing education in the State of Illinois. He has authored and edited numerous articles and textbooks, including the highly acclaimed reference text entitled *Anesthesia Complications in the Dental Office*, published by Wiley Blackwell.

He is the 2023 recipient of the Heidbrink award, the highest honor from the American Dental Society of Anesthesiology, an organization where he serves as treasurer.

He is the originator and executive director of Dental Anesthesia Online, a website dedicated to education in the area of sedation and anesthesia. Access at [www.daoce.org](http://www.daoce.org).

Most importantly, he is the founding chairman of the Dental Patient Safety Foundation, the first dental Patient Safety Organization in the United States. Access at [www.dentalpatientsafety.org](http://www.dentalpatientsafety.org).

### ***“Advancing Your Anesthesia Skills”***

We will start with a brief A to Z review of all aspects related to the safe and effective delivery of office-based anesthesia. Focus will then hone in on challenges that present on a daily basis. Nothing will be left out as RCB explores patient selection, substance abuse disorders, psych meds, feeding disorders, venipuncture, failed sedation, fire, syncope, non-routine recovery, peri-anesthetic dysrhythmias, N2O, local anesthetic complications, and issues surrounding prolonged anesthesia in the office setting. The New Lost Airway and Ventilation Management Algorithm will be introduced, as the efficacy of the LMA in emergent scenarios will be questioned.
